

CERTIFICATE IN TCM ASSISTANT

新加坡中医学院

Conferred by Singapore College of Traditional Chinese Medicine – 2 years Part Time

This is a 2-year part time comprehensive training program for the Certificate in Traditional Chinese Medicine Assistant Course. It is specially designed for the general public to provide them with an overview of Traditional Chinese Medicine (TCM).

Total of 240 course-hours and the course is acknowledged by the Singapore Chinese Physicians' Association.

The objectives are:

- To train clinical assistants to have a better understanding of TCM
- To master the skills and techniques of massage for pain relief
- To learn about TCM Nutrition and Dietetics for self-awareness and knowledge in TCM to initiate a healthier lifestyle
- To assist in managing the TCM clinics effectively for better service to the general public

Upon completion of the course, candidates would be able to contribute to the TCM industry as clinical assistants, as assistants to the registered practitioners, assistant in nursing homes, etc. Their knowledge in TCM for personal healthcare and wellness would also be enhanced.
