新加坡中医学院

GRADUATE DIPLOMA IN ACUPUNCTURE

Vision - To be a Premier TCM educational institution in the region

Mission - (1) To provide comprehensive and professional TCM education

(2) To nurture competent TCM professionals with high ethicality to provide better health care

Values - Fairness, Diligence, Integrity, Collaboration and Harmony

Culture - Pursue excellence through collaboration and harmonious working relationships

Overview

This is a two-year part-time training program specially designed for western medical trained doctors and dentists. Candidates could expect to learn the fundamental TCM theories, TCM diagnostics, knowledge and techniques of acupuncture and moxibustion, and clinical practice. Upon completion of the course, candidates are required to sit for the college graduation examination. Candidate who passes the college graduation examination would then be eligible to register for the Singapore Acupuncturists Registration Examination (SARE) conducted by TCM Practitioners Board.

Eligibility

Applicant must be a local registered Medical Doctor or Dentist with the Singapore Medical Council and Singapore Dental Council respectively.

Course Structure

The course structure is as shown in the table below. The modes of training include classroom teaching and clinical practice. Total course-hour is 405 course hours, in which 305 course hours are classroom teaching and 100 course hours are clinical practice. It is a 2 years part time course.

	Module	Course Hours*	Modes of Training
1	Special Lecture Basic Theories of TCM	5 80	Classroom
2	Diagnostics of TCM	40	Classroom
3	Acupuncture & Moxibustion	100	Classroom
4	Clinical Acupuncture	80	Classroom
5	Clinical Practice	100	Clinical Practice

***1 course hour equals 45 minutes**

Entry Requirements:

- Medical Doctor or Dentist who possessed medical or dental degree with a minimum of 2 years postgraduate experience.
- Applicant must be currently registered (fully or conditional) with Singapore Medical Council or Singapore Dental Council.
